Welcome

Dear friends,

With the turn of this year, it gives me immense pleasure to present the Parhit Annual Report for 2018-19, which provides a glimpse of what we did and achieved this year through our synergised effort.

The year 2018-19 has been the year of achievements for Parhit. Collaborative approaches once again paid the desired result. During the year we effectively implemented 7 projects, reaching out to over 50,000 families and youth directly through various services and activities.

It is equally satisfying to see Parhit's increasing ability to handle multiple projects through the skilled and dedicated team it has been able to build. To enhance their field knowledge and skills of working. they are continuously been groomed through training programmes and workshops. It is encouraging to note that this year we implemented some new projects in existing areas, by which we were able to extend our services to new group of communities. It also helped us to experiment with some different approaches, and in the process, learn something new, enhancing the ever-growing skill and knowledge base of Parhit. With the project of 'Strengthening Civil Society Action for Transforming Lives of the Particularly Vulnerable Tribal Groups of Madhya Pradesh' we got new experience of work with CSO's, Organic farming, advocacy on water clean energy and climate change. Our Childline project has been running successfully in Shivpuri district for past 8 years and our program for health Participatory Learning Actionl (PLA) and PPSA (Patient Provider Support Agency) also running successfully in Tikamgarh district.

Admittedly, what we achieved this year could not have been possible without the constant support of our dedicated partners and donors. With the end of this successful cycle, please join me in appreciating and recognizing the contribution made by our frontline workers, donors, government functionaries and board members. We are grateful to have such a dynamic team, generous donors listed at the end of the report, and our collaborating partners. We heartedly laud their valuable support.

With all the best wishes,

Raghvendra Singh

Secretary, Parhit Samaj Seva Sanstha

Community Strengthening through training and Actions.

Parhit Samaj Seva Sanstha is a non-profit voluntary organization based in Madhya Pradesh. It was found on 8 July 1996 to mainstream socially, economically and educationally backward and weaker sections of the society. Immediately after registration, Parhit started strengthening panchayats. Gradually other issues like community health, mobilization, education, natural resource management, water and sanitation, women empowerment were added.

Parhit dream of a society where there are no barriers of caste and religion, and all men and women are treated equally and undertake interactive efforts to raise human solidarity based on the doctrines of comrades and believe in the unity of human being. Parhit name (Participatory Research Action in Human Integration Tactics) reflect the ideology guiding the organisation.

It is my pleasure to share that the work that started 20 years back with two panchayats has now reached two thousand villages. This has become possible because of the hard work and dedication of members of Parhit. I humbly thank all the fellows, community representatives, organisations and civic leaders, and the Executive Committee of Parhit.

We have created this organisational journey booklet to tell Parhit's story to all those who have been part of the journey and others who may be inspired to join Parhit family in future. I hope we will carry this work speedily and will constantly strive to achieve our goals.

Parhit IN 2019 The Annual Report throws light on varied interventions that Parhit carried out for bringing positive change in the lives of vulnerable communities and working children. PARHIT's activities and interventions, this year, touched the lives of more than a thousand people, helping them improve their lives. Through generous support from partners and donors, PARHIT made vital contribution in ensuring these marginalised communities' access to education, health services, nutrition, livelihood opportunities, financial and social skills, life-skills and protection from abuse.

Vision

To establish a society where men and women are treated equally such that they rise above the boundaries of sex, caste, class, and religion and begin a united move toward the path of humanity.

Mission

. To mobilize people for their development, provide information facilities and build capacities so that they move on the path of development on continuous basis.

7

Projects

Childline -

Childline, started in 1998, is India's first 24-hour helpline service supported by the Ministry of Women & Child Development. The service is for children in need of aid and assistance and is provided through a toll-free 24-hour emergency phone service (1098). Apart from responding to emergency needs, it also helps in linking children in difficult circumstances with various services meant for their long-term care and rehabilitation. This one-point contact is meant to facilitate instant access to support, guidance, and active intervention.

Parhit implements this service in Shivpuri with two centres – City Childline (Shivpuri) and Railway Childline (Shivpuri). This year, Parhit, through these two Childline centres, handled 535 calls in all. Out of them, it intervened with 693 children.

Awareness programmes in schools and colleges were conducted to make students aware on child rights, child marriage, child protection, etc. Under Swachh Bharat Abhiyaan, cleanliness among children was encouraged through several activities: poster making, slogan making, street plays. They were encouraged to maintain their living places and surroundings clean.

'Strengthening Civil Society Action for Transforming Lives of the Particularly Vulnerable Tribal Groups of Madhya Pradesh'

This project running in 65 villages of Shivpuri district. Under that project we are working on CSOs/Community strengthening on clean energy, climate change, water. We are also benefitted community through better implementation of govt. flagship scheme. Introducing organic farming in 23 villages, constructed water structure (Well,Pond,Farmpond,gully plug,conttor trunch and check

dam)more than 100. 500families linked with ujjawala scheme, promote kitchen garden for proper nutrition diet among sahariya tribe.

Rights to Education-

Parhit Sanstha has been working with **UNICEF** Bhopal since 15 October 2014 in Shivpuri district. With that project, work on creating awareness on the educational criteria specified under Right to Education Act was carried out. Work with the community for child safety and rights were also carried out. With the help of government, Anganwadi, Sarpanch, ANM, Teacher and Education Department were also made aware about child rights. 40 children develop centre have been established in more than 30 villages.

PLA- With the support of national health mission PLA program running in Jatara (two blocks of Jatara district-Badagaon and Nimari) district. under that program conduct meeting in villages with ASHA and make sehat sakhi. Till now we have organised 4557 PLA meeting at village level. And make 281 sehat sakhi,244 sehat sakhi have been part of gramsabha health committee. Through those sehat sakhi's intervention infant and Mother mortality has been decrease. That project is running successful with better result.

PPSA- Under that project organization is working with govt. and private hospitals, chemists, laboratory and nursing home for identify patients of TB and register them with govt. NIKSHAY portal so that they can take proper treatment and govt. get information of number of TB patient. 197 patients have been registered under NIKSHAY portal and 186 TB patient notify, 56 patients out of 186 got complete treatment and 5000 people aware about Tuberculosis.

IGSSS- That program has been running since 2017 on the issue of water, climate change and create Sustainable livelihood of vulnerable group. 5077 families covered during the implementation of program. Under that program we did get benefit through govt. flagship scheme, organic farming promotion in 15 villages of Jatara block. Where we have organised training for organic farming, farm field school training, link them with many govt. schemes, established 15 village level seed banks for promotion of traditional seed, Established grain Bank and provide training on right and entitlements, Did Advocacy for water conservation.

Water Conservation-

That Project work in four Panchayat of Gwalior district where we are strengthening community through training meeting and awareness campaign on water conservation. Under that project established village level water management committee, desilting and deepening of pond and other water resource, empower community on water conservation so that they can raise their issue in Gramsabha also do advocacy with govt. for their rights.
